SHORE LOG

of

1944 ~ 1945

FOREWORD TO OURSELVES IN 1980

As you open this Log in the year 1980 and peruse the opening section, you might recall, "Ours was a wartime graduating class." You'll idly leaf through to the faculty section and as your glance moves down the page, it will stop sometimes to rest on faces that strike a vibrant chord in your memory.

Then you turn the page, slowly, thoughtfully. The chair in which you are sitting and the heat of the summer day seem distant and unreal. Suddenly a shadowy finger sweeps them completely from your mind and you are standing in the halls of Shore in 1945. The faces of your friends are again vivid and familiar.

Remember our sophomore days when the boys generously gave each other "brush cuts" with disastrous results. . . . when the boys in our class became the Varsity heroes . . . when at long last we proudly occupied the front center seats of the auditorium . . . remember English class with debates about compulsory military training . . . and how enthusiastically we cheered the football and basketball games . . .

Remember the dreamy time had at the Prom . . . clubs every night after school . . . the senior banquet . . . and one occasion we'll never forget—commencement.

When scanning these pages in future days amid friends unknown to you in high school days and perhaps in distant cities, if you can say then, "I remember," we will feel that we have accomplished our purpose in publishing this 1945 Log.

ADMINISTRATION

of 1945

Message to Students:

As we prepare for the post-war period we will need to capture for civilian life the same lofty purposes which have guided our nation through this great world struggle. The same heroic devotion to the common good, the same persistent loyalty to high ideals, the same intensive resistance to the comfortable and the easy, the same insistent defense of high principles will be needed. We must heighten our respect for the greatness of common people, we must reawaken our minds to what ordinary people with extraordinary conviction can do. At the dawn of peace let us follow the advice of Washington at the beginning of our history—raise the standard to which the wise and honest can repair.

RUSSELL H. ERWINE
Superintendent of Schools

Graduates of 1945:

As good and understanding citizens of your school and community, you have made vital contributions to the war-time efforts of your country.

Throughout your high-school years the world has been threatened by the avarice and ferocity of evil men. You have opposed them by working on the side of right.

May this same high purpose, equal devotion, and continued patriotism distinguish all your endeavors as adult citizens.

To you is passed the Torch of Freedom from the courageous grasp of our dear boys who are numbered among the great heroes of human history.

You will ably and faithfully carry on with the proud humility of thankful and true American Citizens.

Alma Mater

Green is the springtime,
White is the snowy shore,
Colors that I adore,
Of our Shore High.

Springtime may pass away,
Snow linger but a day,
But thee I'll love for aye,
Our Shore High dear!

Dear are the mem'ries,
Golden the days of yore,
When we acquired lore,
At old Shore High!

Time may bring vain regret,
Sorrows may irk and fret,
Yet thee I'll ne'er forget,
My true Shore High!

THE HIGHEST HONOR awarded for journalistic work is admission into the National Quill and Scroll. The members are chosen for outstanding achievement on the Breeze or Annual Staff, and must be in the upper third of their class scholastically. They are selected by Mr. Angene, Annual advisor, and Mr. Vaughn, Breeze advisor, and then approved by the executive secretary.

The Shore chapter of the Quill and Scroll was founded in 1939. Membership in this organization can be a valuable asset for future work in the field of journalism. It is also a distinctive honor as the society is nationally known and accepted.

NATIONAL FORENSIC LEAGUE

TO BE ELIGIBLE for membership in the National Forensic League a student must be in the upper third of his class scholastically and must earn twenty points by public speaking or inter-scholastic debating. There are several fields in public speaking, including extemporary, oratory, and declamation. The members compete for additional points to obtain higher degrees.

During the past year the members have participated in debates at Shaw and St. Ignatius and in a tournament which was held here at Shore. Many of the members of this organization entered the annually conducted Prince of Peace contest.

TO BE ELIGIBLE for membership in the National Honor Society, a student must be qualified in Scholarship, Leadership, Character, and Service. The members are chosen from the upper third of the junior and senior classes each year. Election into this society is the highest honor a high school can award to the students.

The initiation ceremony, under the guidance of Mr. Whiteside, was made even more impressive this year by the use of candles, another one being lit each time a new member was conducted to the stage by a page. The members remaining in this organization from the previous year participated in the ceremony.

AD COMMITTEE

Berndsen, J. Becht, W. Hansen, D. Newman, J. Dragonic, J. Weber, J. McKee, R. Ehlert, G. Hauser.

THE MEMBERS of the Ad Committee might easily be called one of the most hard-working groups in the school. The people chosen to work on the committee must be dependable and responsible. They sell tickets for the home athletic events, usher at plays and other programs, and sell refreshments at home games if possible. Since the Ad Committee is for service to the school, and is not intended to benefit the members, their only social event during the year is the annual banquet. Mr. Spangler is the sponsor of this group, and is well pleased with the work accomplished this year.

SERVICE CLUB

THE SERVICE CLUB was organized by Miss Campbell as an organization to do little services which seem to be needed around the school, and which are not performed by other organizations.

They visited the Rosemary Home many times during the year and brought presents and cheer to the little children there. They ushered at music programs and other social events at Shore, gave gifts to the service men at the Brecksville Veterans' Hospital at Christmas time, and contributed to the Red Cross among many other services.

This club was organized only last year but as it becomes larger and its helpful activities become more diversified, it will probably become a permanent organization.

THE PUBLICATION of a yearbook requires much work on the part of each individual on the staff. The members must work together to meet deadlines and spend much of their leisure time working on the publication.

Each year the editorial staff strives to present a book superior to those in former years by experimenting with original ideas and attempting to make the copy interesting and concise, and the pictures representative of the school as a whole.

The Annual Staff would like to thank Mr. Angene and Mr. Hinch for the kind assistance they have rendered to make this Annual a success.

We hope our readers have enjoyed reading our publication. If they have any constructive criticism we think next year's staff would appreciate being "tipped off." To them, also, we extend our best luck.

LOG BUSINESS STAFF

TIRELESSLY haunting the offices of plant and store managers, and using high-pressure salesmanship on reluctant Shore-ites, the Annual business staff has surpassed the totals of last year's staff through advertising and subscriptions. Their totals for the year set a new record for future Annual staffs to equal.

Their job required much traveling around after school hours to secure the advertising promise and many more trips to complete the transaction.

An expression of thanks is addressed to Miss Phypers who has been a great help and able sponsor.

Good House Assured for Both Nights of Senior Play

The curtain rises tonight at 8:15 for the senior play "Out of the Frying Pan." A second performance will be given tomorrow night.
The stage will be set in an old brownstone front apartment. The furnishings are scant and display the poverty of the group, but it is no home like that Mr. Baumer, play director, says "When I look at it. I feel like moving in."
It is not customary for a play to have a two night run here at Shore, but a good house is assured for both nights. Only on previous(s) has a play been given two nights and that was this year's junior play, "Junior Miss." "Out of the Frying Pan" is an uproariously funny play about six young people who want to be actors.
The idea they have in mind is to see the Broadway producer who lives in the apartment below and who is also running the show. Hoping that they will have a chance, the would-be actors rehearse the play continuously. They try to get the producer up into their apartment to see the show.
Finally he comes to borrow a cup of flour for a culinary experiment, and the "kids" get the show for him. It is so

AS A NEWSPAPER IMPROVES, the number of subscribers increases. This case is well represented at Shore, for the Breeze is more than ever popular with the students and the alumni in the Armed Forces. The record subscription figure for the year was 1278 students.

The staff has added several new features to the Breeze during the last year including "Letters to the Editor" and "This Week", a calendar of coming events. This is the first year that the paper has had a military and managing editor. A new sparkle was added by the publishing of clever, timely poetry.

This year it was learned that the 1943-1944 Breeze received the All-American award from the National Scholastic Press Association.

"JUNIOR MISS," directed by Mr. Lester Angene, played to one of the largest audiences Shore has ever seen. The three-act comedy was given on two successive evenings by a cast of 19 juniors.

The story of "Junior Miss" concerns the Graves family of New York. Judy, the youngest daughter succeeds in getting in and out of trouble, playing cupid, and going to her first dress-up party.

In order to take care of all the members, the club has been divided into three chapters, each having its own officers who are subordinate to the main officers. The Hi-Y is a chapter of the Y.M.C.A. and is sponsored by Mr. Schwegler. During the past year, the Hi-Y has brought both the Honor Roll Plaque and the Service Flag up to date, made and put up the Service Men's Bulletin board, helped the Red Cross in making kits for service men, and co-operated with the Friendship club in giving the annual Christmas formal.

THE WAR ACTIVITIES COMMITTEE under the competent leadership of Mr. Vaccariello sponsored the bond and war stamp sales at Shore this year. Proof that they have done their job well lies in the fact that all the bond drives have been over-subscribed. As a result of purchases at Shore, the student body has obtained two training planes, a landing barge, a flying jeep, and several bazookas for the armed forces. Because over 90% of the students made war stamp purchases, the school was presented with a Minuteman flag. If 90% or more of the students continue to buy stamps during the monthly drives, the flag may be flown that month. Paul Lucas is pictured above as he appeared at a bond rally at Shore. He stopped here while on a bond tour for the 6th War Loan drive.

FOOTBALL

WALT SCHWEGLER

Once again our fine coach, Walt Schwegler, has turned out a commendable football team. "Walt" is the type of coach for whom the boys enjoy working hard. He is always ready and willing to give his boys any extra pointers when help is needed. We may say that Walt Schwegler is not only a good football coach, but is also a good friend.

PAUL BARCLAY

Paul took over the managership of the team this year and there wasn't a boy on the squad who didn't like him. He was very efficient and lost no equipment during the entire season. Paul will graduate this June and next year's manager will have much to live up to. In appreciation of his work he was presented a letter and gold football with the rest of the team.

THE MIGHTY Shore matsmen once again turned out a commendable wrestling squad. Suffering the great loss of city-champion Dick Krainee, also Ken Daniels, Ed Schuler, Alan Enkler, and Glen Smeltz at mid-year, the team still came through with an enviable record. Al Ulle won second place in the city tournament and Ray Sanders took third place. The grapplers triumphed in four meets, tied one and were defeated in five.

THE ADMIRAL'S cindermen ended the 1944 track season as one of the best teams in the conference. They finished third, Brush and Orange taking first and second places respectively. Leading the team were Doug Tercek and Ray Sanders who were both distance men and leading scorers. Harvey Davidson and Jack Julyan, both hurdlers, also ranked high. Doing a commendable job were Kollar, Obert, Weinke, Read, Theuer, Vihtelic, and Schuler.

BASEBALL

JOHN POHTO

Coach John Pohto again led the Shore diamond stars to victory. It was largely due to his fine coaching and understanding that the nine won the conference championship. He was ever ready to offer criticism and help, and was well liked by all the boys.

PAUL BARCLAY

We have often heard of a three-sport man, but it is very unusual to find a student manager who is so efficient that he is chosen to manage all three major sports. Paul is just that sort of person. His work is always done quickly and well.

THE SHORE ADMIRALS had one of their most successful baseball seasons in 1944. Winning twelve games and losing only four the Admirals won the Eastern Conference title and were runners-up for the district title. They lost to Lincoln in a crucial game. Russ Wilk, Shore's star right hander was one of the finest pitchers in recent years to play for Shore. He compiled a record of eight wins against two losses including one no-hit game. The squad was undefeated in Conference play, being victorious in eight straight games. This record is one which will be hard to equal by the teams of coming years. Much credit goes to Coach John Pohto whose patience with the boys made many a fine ball player.

Those chosen must not only be active athletically, but must also rank high in scholastic standing, dependability, leadership, initiative, and cooperation. The girls learn to referee every kind of intramural sport in which they participate under the guidance of Miss Gill, the sponsor of this club. They practice after school and during their spare time until they are skilled and proficient in these games. Their capable leadership makes them efficient aids to Miss Gill in the gym classes.

The members earn points by going skating and after a certain required number is obtained they are presented their letters.

REMEMBER?

September	6	School starts today after a day of rest from Labor Day.
	20	Friendship Club had its first meeting today.
	21	Our first assembly, a welcome to new Shoreites and an enthusiastic pep session was held today. Log staff was chosen and work gotten under way.
	22	We were greatly disappointed when Bedford beat us in our first football game by one touchdown. Better luck next time. Student Council had a Kick-Off Dance.
	27	Everybody bought war stamps so that they could go to assembly tomorrow.
	28	George Baily, the mental-magician astounded us all with his feat of memory, not to mention his magic tricks.
	29	We all rooted enthusiastically for our team at Orange where we were the victors, 12 to 0.
October	2	Today we had a War Bond assembly at which the Seniors proudly sat in the front-center seats for the first time.
	5	The traditional candlelight Friendship recognition service was tonight.
	6	Gorman Booster made his appearance at the Garfield game, but didn't bring us any luck; we lost 14-0.
	13	A wonderful game with Mayfield in which everybody on the bench got to play and we won 53-6.
	18	Everybody enjoyed finding her "treasure" at the Friendship Club treasure hunt today.
	19	We surpassed the War Bond Goal of $12,000 with which we bought a landing barge.
	20	A lively assembly with Miss Aingworth's and Vac's homerooms winning the honors marked the end of War Chest campaign. Everyone was broke after it. We are getting on the beam as we beat Maple Heights 39-19.
	27	Hooray. No school today because of N.E.O.T.A. Tonight we had an enthusiastic and comparatively peaceful rally for the game tomorrow.
	28	SHORE-CENTRAL GAME. We won as usual, 20-13. Faith Michael graced the Football dance as queen.
November	2	Senior sisters met their Freshmen "sisters" at a party.
	3	The final football game of the season ended in a 6-6 tie with Brush. Gala night was indeed gala and we certainly got our money's worth.
	23	Everybody gorged on turkey; it's Thanksgiving. We have a day off to recuperate from yesterday.
December	1	The girls dragged their fellows to the Dogpatch Shindig tonight.
	2	In our first basketball game we walloped Wickcliffe 88-22.
	6	Football and Baseball awards were given in assembly. We beat Kirtland in a practice game.
	7	Shore wrestlers scored their second victory as they beat Lakewood.
	8	A very thrilling game was witnessed tonight as we slid past Willoughby 30-29.
	9	Tonight we scored an easy victory, 63-19, over Mentor.
	24	The Christmas Formal was a bang-up start for Christmas vacation.
	29	We beat Ashtabula.
January	1	Happy New Year, Everybody.
	2	School opened again, but you wouldn't know it for the absences. Most other suburban schools stayed closed because of the snow.
	5	Does your hair look different lately?
	11	Today we lost the wrestling match to Garfield.

REMEMBER?

January 12 We beat Maple Heights in basketball 58-19.
15 A beautiful National Honor Society initiation.
16 Little work was done in school as group pictures were taken today.
17 "Senior Day" for the graduating class.
18 Senior assembly was the best for a long time.
19 Beat Central as usual, 48-26.
23 Oh, Happy Day??—Exams and Commencement.
26 A dull basketball game beating Brush 68-24.
29 There is a "Brown-out" downtown to conserve fuel because of the shortage.
30 Girls started taking gym in the old gym for the first time.

February 5 No school today to conserve coal and we lost our first basketball game after 10 straight to Bedford.
6 Zoological assembly of animals.
9 All the girls got out their drool cups for Lon McAllister, who was in assembly today.
16 We beat Orange by a big score.
20 University beat us in the wrestling match.
22 Students will remember Washington for one thing at least—no school on his birthday.

March 1 The tournament started tonight with a couple of exciting games.
2 We played our first game and lost to Ashtabula by one point.
6 We had an assembly with talks on "The Future of Aviation" which were transcribed and will be played over the radio.
9 Some of we Seniors exercised our brains taking a scholarship test at John Hay while the rest of the school enjoyed themselves at a matinee dance.
10 Every one was surprised and delighted when Ashtabula beat Heights to win the tournament.
12 A soldier from Crile talked to us about his experiences with the Red Cross.
14 A sad day—report cards again!
16 Another assembly. Sam Campbell, the naturalist, showed us colored movies.
22 Judge Connell inspired us in an Easter Assembly.
23 The basket ball dance was held with Carol Geddes as queen and now we're off for a whole week's vacation.

April 12 The choir sang beautifully at choir-night.
13 Everybody enjoyed themselves at the Box Social.
16 We had something a little different in assembly. Mr. Bowser talked and showed a movie on mountain climbing.
27–28 The long awaited Senior play, "Out of the Frying Pan" was a big success.

May 1 Everyone played their favorite sport at "Play Night".
4 Soft light, dreamy music, dancing figures—that was the Spring Formal. Betty Sumner was chosen May Queen.
18 Music filled the air at the Spring Music Festival tonight.
The Seniors let their hair down in the Senior Assembly.
25 The climax of the year was reached at the Junior-Senior Prom.

June 3 Today we had an impressive Baccalaureate Service.
4 Everybody had a rip-roaring time at the Senior Banquet.
6 The culmination of our high school days came at graduation.

There's Something About a Book

THERE'S something about books that captures the allegiance of all humanity...a broad deep appeal that touches the highest and the lowest among us and blankets all the strata in between. For books are all things to all men.

IT is a source of great satisfaction that we at World are pioneering the mass production and mass distribution of fine books at low prices, thus putting the blessings of literature, current and past, into the hands of the great masses who are America.
